Book Beard's Bunch

Legends tell of a curious Pirate Captain,
in search of fortune and fame
He searched not by ship, but through books
That Book Beard became his name

At the Library, The Captain would dig through his
books, until one day he found what he desired
But soon after his discovery, Book Beard vanished
leaving behind a mystery, not solved.

Some say he found a path to legendary loot,
a path that only opens on Halloween Night.
Others claim it was a path of horrors,
filled with many things to give you a fright!

Skeletons, Ghouls, and The Bats galore!

Ship Wrecked, Carpenters, Fire, a Kraken, and more!

Come, embrace the spirit of adventure this
Halloween night, and set out on the Library Sea.
Here, you too could become Pirate Legends
when you embark on
